Missio

n

wicci haryana state council for skill development endeavours to operate & create well defined system , processes opportunities as well as engage with the population in conjunction with the globally recognised concept of skills development to make India HR Capital of the world.

Council Vision & Mission

Our 10 steps agenda:

Create awareness on skill development under areas of Health & safety, Digital skills, education, entrepreneurship, women empowerment, vocational skills, lifestyle skills, awareness campaigns, self defense skills, culinary & flower arrangements. NSDC, sector skill councils, Haryana Skill development missions have listed several schemes to empower youth that enhances employment opportunities . Focus will be to develop effective communication skills, entrepreneurship skills & building confidence . The council will work towards creating the awareness & relevance of the skills among aspiring youth & rural women across state.

Skill interventions & youth empowerment

The council shall engage with institutions, business units, start up incubators, corporate houses, higher education establishments & youth segments to familiarise & disseminate skill development training through specially developed Skill centres of excellence to work in direction of balancing knowledge, skills & resources.
