Council Vision & Mission

India has risen from the rank of 81 in 2015 to 46 in 2021 in the Global Innovation Index. Noting the rise of India's rank in the Global Innovation Index, Vice President Venkaiah Naidu said that innovation should become the national mantra for development. (Source: Hindustan Times-Sept, 2021)

Innovation is one of the key factors in growth of an economy. It is indefinite and infinite and works on a collaborative model.

Vision of this council will be to make sure INNOVATION is in the DNA of our Society at large and its encouraged and fulfilled to its best in the State
